PENDING LITIGATION ADVISORY

On July 15, 2021, The Sierra Club filed a Petition for Writ of Mandate challenging the City's adoption of its General Plan update – including the changes to the Zoning Ordinance in Ordinance No. 981 – for alleged violations of the California Environmental Quality Act. (Sierra Club v. The City of Moreno Valley, Riverside Superior Court Case No. CVR12103300.) The ongoing litigation could potentially result in the invalidation of the City's General Plan and reversion to prior zoning laws. Any applications for entitlements which rely on changes in the Zoning Ordinance under Ordinance 981, adopted on August 3, 2021, are at the applicants' own risk. To review a copy of the Sierra Club petition, please follow this link: https://moval.gov/city_hall/general-plan2040/Environmental/Petition-Complaint.pdf

CITY OF MORENO VALLEY

Moreno Valley is a city in Riverside County, California, and is part of the Riverside–San Bernardino–Ontario metropolitan area. It is the second-largest city in Riverside County by population and one of the Inland Empire’s population centers. As of the 2020 census, the city’s population was 208,634. Moreno Valley is also part of the larger greater Los Angeles area.

The city derived its name from the small community of Moreno, which became part of the city of Moreno Valley when the city was incorporated in 1984. Frank E. Brown, one of the founders of the community of Moreno in 1882, declined to have the town named after him, but to honor him, the town was named Moreno, Spanish for brown
